

THIS REAL ESTATE SALES LIST is provided by the U. S. General Services Administration and is available upon request. You will find Real Estate currently offered for sale to the public that is surplus to the U.S. Government's needs or they could be seized, confiscated, or foreclosed upon by various Federal Agencies. Properties may be in any of the 50 States or U.S. territories or possessions and are of various types, sizes and uses. Examples include commercial and industrial uses such as office buildings, warehouses, and manufacturing facilities as well as vacant land for commercial or agricultural development or homes for residential use.

Properties are usually sold competitively by auction or sealed bid sale. Bidders are required to get copies of sale information for each property before making a bid. Instructions to Bidders and Terms of Sale are made available upon request for each property for sale. Sales may be live or virtual on the internet but Bidders can be accommodated regardless of internet access. Sales are awarded to the bid that is in the best interest of the Government, price and other factors considered.
